Emergency First Aid at Work Training Course

The Boss Emergency First Aid at Work course is designed to offer essential basic skills and knowledge required to administer Emergency First Aid at Work until someone more qualified is available to take charge of the situation.

The course is ideal for small businesses where Health & Safety risks are minimal or for anyone who may be expected to complement the skills of a qualified First-Aider.

Course Agenda:

- Welcome to First Aid
- What is First Aid
- Unconscious Person
- Recovery Position
- Adult Resuscitation & CPR
- Child Resuscitation & CPR (if appropriate)
- Choking
- Wounds & Bleeding
- Illness at Work
- Any topic appropriate to the workplace
- Epilepsy
- Asthma
- Burns & Scalds
- Fractures
- Shock
- Maintaining and Stocking First Aid Boxes
- First Aid Records and Procedures

Course Duration:

1 Day (6 Hours)

We offer a number of different courses and one or perhaps several will fit your business sector perfectly. If you need something bespoke in the way of Emergency First Aid training courses not listed below, please get in touch to discuss your requirements.
