CITB SSSTS Refresher Training Course

The CITB Site Supervisor Safety Training Scheme Refresher course will renew your CITB SSSTS 2 day certificate and bring your health and safety knowledge up to date.

To qualify for a SSSTS Refresher course you have make sure you take the course prior to your current SSSTS certificate expiring.

This course will cover any changes in best practice in great details, especially in topics such as work at height, asbestos, noise and vibration and hazardous substances.

Course Content:

- Work at height
- Manual handling
- Drugs and alcohol
- Stress factors
- Dermatitis
- Asbestos
- Noise and vibration
- Current enforcement priorities relating to HSE best practice
- Reporting on fire risks and emergency procedures

Course Duration:

1 Day

Training available
across the UK at your premises
